

# **ORGANIZATION CHART INCLUDING ENVIRONMENT, SAFETY, AND HEALTH RESPONSIBILITY**

## **RHIC PROJECT**

### **I. ORGANIZATION CHART**

The Project organization chart shall, as a minimum, comply with the following:

- A. Lines of authority and responsibility shall be clearly defined. The organization chart shall include all persons from the Project Director to the First Line Supervisors and other persons with key responsibilities.
- B. The following ES&H responsibilities shall be identified on the ES&H Reporting Chart or an attachment:
  - 1. Assistant to Project Director for ES&H
  - 2. Project ES&H Coordinator
  - 3. Project ES&H related committees and chairpersons
  - 4. ALARA Committee
  - 5. Training Coordinator
  - 6. Quality Assurance Representative
  - 7. Management Representative on EMS
  - 8. Dotted line relationship to named Support Division Personnel

### **II. ISSUANCE AND ANNUAL REISSUANCE**

- A. The Organization Chart shall be updated when necessary, reviewed for accuracy, dated, signed, and distributed to all Project employees. All organization charts shall be provided to the Associate Director for Administration by October 1.

**ONLINE COPY RHIC OPERATIONS PROCEDURES MANUAL**  
**Wed, Mar. 01, 2000 - VALID FOR FIVE (5) WORKING DAYS**

B. The ES&H Reporting Chart shall be placed in the Project OPM.
